The Official Rules of Box Lacrosse provide all the guidelines needed for fair and consistent play across different levels and age groups. These rules are designed to keep the game fast-paced, exciting, and safe.

- **Players are responsible for being physically and technically ready to play, following the rules, and participating with a focus on safety and enjoyment.**
- **Coaches must ensure their players know and respect the rules, practice good sportsmanship, and use safe playing techniques.**
- **Referees are tasked with enforcing every rule fairly, with integrity, and without bias in all games.**

Governing bodies and organizations must promote safe environments, disciplined conduct, and sportsmanlike behavior at every level of Box Lacrosse.

Fair play is a shared responsibility—officials, players, coaches, and organizations all contribute to maintaining the integrity of Box Lacrosse, making it a positive and enjoyable experience for everyone involved.

ACKNOWLEDGEMENT

We gratefully acknowledge the dedicated efforts of the Rules Committee and the Box Rules Working Group members for their invaluable contributions to the development of this rule book. Their expertise, commitment, and collaboration have been essential in advancing the game and ensuring the clarity and integrity of these rules.

ABOUT THIS BOOK

AUTHORITY AND IMPLEMENTATION

The Official Rules of Box Lacrosse have been endorsed by the Rules Committee of World Lacrosse, under authority from the World Lacrosse Board of Directors, and incorporate changes approved by members at the Box Rules Assembly.

These rules apply to all World Lacrosse competitions, qualification events, and other international games as defined by World Lacrosse. Each National Governing Body may set its own timeline for implementing these rules at the national level and may adapt the Box Rules to meet national needs. In doing so, World Lacrosse encourages National Governing Bodies to prioritize player safety and the integrity of the game.

In the event of any inconsistency between the official English-language version of the Box Rules as published by World Lacrosse and any translations or other versions, the English-language version will govern.

All participants in games governed by these rules are expected to have read and comply with them in full. Players must ensure that their equipment is safe and not hazardous to themselves or others, and World Lacrosse expressly disclaims liability for any loss, cost, or damage arising from equipment defects or rule violations.

ABOUT THIS BOOK

Key rule changes throughout this book are clearly identified by a screened or highlighted background across the relevant rule.

For any questions regarding the interpretation or clarification of the World Lacrosse rules of play, WL Members, Athletes, Coaches, and Officials are encouraged to submit their inquiries using the official form found on the [World Lacrosse Rules Page](#). All requests are monitored by the Chair of Rules and World Lacrosse Staff. Submissions will be regularly reviewed, and official interpretations or clarifications will be posted on the World Lacrosse website for public reference.

THE GAME

Box Lacrosse is played by two teams of six Players each. The purpose of each team is to score by causing the ball to enter the goal of its opponent and to prevent the other team from securing the ball and scoring. The ball is kept in play by being carried, thrown or batted with the Stick, or rolled or kicked in any direction, subject to the restrictions described in the following Rules.

The boards (dasher boards) facing the playing area, excluding arena advertisers, shall be uniform in color and free from any obstructions or objects that may cause injury. The boards shall be topped by a surrounding barrier of safety glass or other suitable material to a minimum height of three feet (3') on the sides and a minimum height of six feet (6') on the ends to keep the ball in play.

1.1.2 DOORS

All doors in the playing area shall open away from the playing surface.

All lines on the floor or artificial playing surface shall be two inches (2") in width and white in color. The locations of lines are as shown on the WL Regulation Box Lacrosse Floor diagram, see Appendix A.

1.1.4 CHANGE AREA LINES

Paint or tape must be used to designate line change areas in front of the team benches. The length of the change area shall be equal to the length of the bench area plus six feet (6') on each side, and the width shall be three feet (3'). Referees shall mark proper dimensions in each arena prior to games. Adjustments may have to be made to suit various arena dimensions. Only lines approved by the Head Referee may be used.

1.1.5 RESTRAINING LINES

The restraining lines shall be drawn forty-two feet and six inches (42' 6") out from the centerline.

1.1.6 ZONES

The playing surface shall be divided into three (3) zones, a defensive zone, a center zone, also known as the neutral zone, and an attacking zone. The two restraining lines separate the three zones. What is one team's defensive zone is their opponent's attacking zone. The portion of the floor in which the goal is situated shall be called the "Defensive Zone" of the team defending that goal, and the portion farthest from the defended goal as the "Offensive Zone".

1.1.7 GOAL CREASE

A circle, known as the goal crease, shall be plainly marked around each goal. Mark the goal crease by using the midpoint of the goal line as the center of a circle around that point with a radius of nine feet, three inches (9' 3") to the outside edge of the goal crease circle. The circle shall continue until it reaches a point of intersection with a straight line that runs parallel with the goal line one foot (1') from the point of the base of the goal. The area of the goal crease may be painted a solid color other than white.

SECTION ONE – THE ARENA

1.1.8 GOALLINE

A white line shall be drawn two inches (2”) wide and between the goal posts to indicate the plane of the goal. It shall be designated as the goal line.

Should any of these conditions not be met, a loose ball should not be awarded. A player may not drop the ball of their own volition, regain possession, and be credited with a loose ball. Loose balls should be awarded as part of the face-off play; however a loose ball is not always awarded when the referee signals possession on a face-off play, since their definition of possession does not rise to the standard of that of this loose ball definition.

A technical violation shall be defined as any awarding of possession resulting from technical violations such as, an illegal pick, crease violation, thirty seconds violation. Other violations are listed throughout the rulebook.

4.3.7 FOULS AND PENALTIES

Should the offending team still refuse to play, the official shall warn the team that it has five (5) minutes to commence play; failing which the game shall be forfeited. In such case the matter shall be reported on the game sheet or special incident report.

Whenever a player suffers a laceration or wound where oozing or bleeding occurs, a referee shall suspend play at the earliest possible time and the player shall leave the field of play and be given appropriate medical treatment.

The player with blood on their person, uniform or equipment, shall not re-enter the game until the wound has been covered and/or all evident blood disinfected from their uniform or equipment, and the player may not re-enter play until the next non-technical stoppage of play. SECTION SIX

PLAY OF THE GAME

**WORLD
LACROSSE**
TM

SECTION SIX – PLAY OF THE GAME

Rule 6.1 PLAY OF THE BALL DEFINITIONS

6.1.1 FREE PLAY

Whenever a player has been awarded possession for any reason, no opposing player may take a position closer than two yards before the whistle is blown to restart play.

6.1.2 PLAYER POSSESSION

A player shall be considered in possession of the ball when that player has control of the ball and can perform any of the normal functions of ball control such as carrying, cradling, passing or shooting.

Any defender or goalkeeper, whether inside or outside the crease, who clamps down with their stick on the ball while the ball is in the crease is defined as having possession.

It is illegal to check any player or goalkeeper, whether that player is inside or outside the crease, when they clamp down with their stick on the ball while the ball is in the crease.

6.1.3 TEAM POSSESSION

A team shall be considered in possession of the ball when a player of that team has possession. A ball being passed from teammate to teammate is considered team possession.

6.1.4 PASS

The movement of the ball caused by a player in possession, throwing, or bouncing, or rolling the ball to a teammate. If a player bounces the ball onto the floor and then into the board and/or glass and toward the stick of a teammate and there is continuous movement of the ball, this is considered a pass.

6.1.5 COMPLETED PASS

A completed pass is one caught by a teammate.

6.1.6 NON-TECHNICAL STOPPAGE

A non-technical stoppage in play is any stoppage of play where a fast restart is not expected. These stoppages are as follows:

- After a goal is scored
- Administration of a penalty or penalties
- A timeout called by a team or the officials (includes media timeouts)
- The end of a period

A ball out of bounds is a fast restart and NOT a non-technical stoppage. The officials will produce a new ball and restart play immediately.

Rule 6.2 FACING-OFF AT CENTER

6.2.1 BEGINNING THE GAME

Play shall be started at the beginning of each quarter or overtime period and after each goal by facing-off the ball at the centerline X or O. Prior to the start of a face-off at center, one (1) player from each team shall be at the center X or O. If a player or team delays the game prior to any face-off, possession goes to the offended team.

SECTION SIX – PLAY OF THE GAME

6.2.2 FACE-OFF POSITIONING

The face-off players shall stand on the same side of the centerline of the floor as the goal each is defending, with their lacrosse stick resting on the floor along the centerline. Both hands and feet of each player facing off must be to the left of the throat of the stick. The hands of each face-off player must, be on the handle of the stick, must be touching the floor, and must not touch any strings. Their feet may not touch the stick.

No portion of either stick may touch. Nor may either player be in contact with their opponent's body by encroaching in the opponent's territory. The walls of the stick must be approximately eight inches apart touching the floor. The sticks must be placed so that they are parallel to the centerline, and the players facing off must keep their feet behind the centerline. Once the players have assumed their positions, the referee shall say, "set". Players must remain motionless until the whistle is blown. Two lines shall be drawn on the turf at the center face-off position eight inches (8") apart measured from the inside edges, one half inch ($\frac{1}{2}$ ") width and six inches (6") long.

6.2.3 FACE-OFF VIOLATION

Movement by any player, facing off, after the "set" command shall cause possession to go to the opponent.

When the ball is stuck in the back of a player's stick upon facing off, possession shall be awarded to the non-offending team.

Stepping on or kicking of an opponent's stick shall be illegal and possession goes to the offended team.

When there are coincidental multiple violations (e.g. at restraining line and face-off) the face-off violation shall determine possession.

If a player gains possession on a faceoff with the ball in the reverse side of the stick, and fails to move, rake or direct it (to a teammate or themselves) and takes more than one step a faceoff violation has occurred and the ball will be awarded to the non-offending team.

6.2.4 CONTESTING THE BALL ON THE FACE-OFF

The two players must contest the ball when the referee blows the whistle. The ball must come out of the dotted circle. A player may not trap, clamp, or dead stick (clamp or trap and not move your stick) the ball, the opponent's stick, or the opponent's body, with the intent to withhold play inside or outside of the dotted circle. This is illegal and a technical penalty for illegal procedure shall be called. Any over-clamp, which is a stick clamping on top of the original clamp, is a violation. This is considered a technical penalty for withholding the ball from play. The ball shall be awarded to the non-offending team.

6.2.1 FLOOR STRENGTH BEFORE THE FACE-OFF

It is the responsibility of the officials to see that there are six players, including those in the penalty box, on each team, at the beginning of each face-off.

Rule 6.3 POSITIONING OF ALL PLAYERS FOR THE FACE-OFF

6.3.2 PLAYER POSITIONING PRIOR TO WHISTLE

The remaining players must take a position inside an offensive or defensive zone. Once the players have positioned themselves in an offensive or defensive zone, they must remain in those locations until the whistle sounds to start play, at which time all players are released from their respective positions. Players may be moving prior to the whistle provided they are behind the zone line and not making contact with an opponent.

6.3.3 CONTACT AT THE FACE-OFF CIRCLE

Players not involved in the actual face-off are allowed to enter the outside face-off circle (11' radius) while the face-off is taking place. Any player who enters the outside face-off circle (11' radius) and strikes one of the face-off participants prior to the player becoming upright in nature will be assessed the appropriate time penalty.

6.3.4 FACING-OFF AT OTHER FACE-OFF SPOTS

When a face-off occurs at one of the alternate face-off spots other than at the center X or O, the position of the facing players shall be as set out in Rule 6.2 herein, except that the defending face-off player shall stand with their back to their own goal, and all other players must be at least five yards from the face-off spot.

Rule 6.4 10-SECOND COUNT

6.4.1 ADVANCING THE BALL

In all situations, there shall be a ten-second (10) count applicable to both teams. When a team gains possession in the defensive half of the floor, they must get the ball across the centerline within ten (10) seconds of gaining possession. Being across the centerline means both feet of a player in possession of the ball must be in the offensive half of the floor, they may not be touching the centerline or if a loose ball crosses the line.

6.4.2 10-SECOND COUNT PROCEDURE

The referee shall keep the 10-second time count using a chopping motion of the hand for each second.

6.4.3 TIME-OUTS CALLED IN THE DEFENSIVE HALF

Rule 6.5 BACKCOURT VIOLATION

6.5.1 BACKCOURT

Teams must keep the ball in their offensive half after gaining possession in their offensive half, or after carrying the ball across the centerline and making contact in the offensive half. Violation will result in possession awarded to the non-offending team.

SECTION SIX – PLAY OF THE GAME

6.5.2 BACKCOURT VIOLATION

When a loose ball or a player with possession of the ball comes in contact with the centerline of the floor for any reason other than a shot on goal or the defensive team being the last to touch the ball, it shall be a backcourt violation. If the offense was the last to touch the ball prior to the ball going into the backcourt, without a reset of the shot clock, the referee shall hold the sounding of the whistle until it is apparent that the non-offended team will not gain possession. Possession shall be awarded to the non-offending team where the ball comes to rest with the exception of immediately in front of goal. Immediately in front of the goal is deemed approximately a 10-yard radius from the center point of the top of the goalkeeper crease. The offensive team cannot intentionally direct the ball into the backcourt for any reason regardless if they are considered to have possession or not. When a goalkeeper is pulled for an extra attacker and the ball travels across center and travels into the goal, this play is regarded as a good goal.

6.5.3 BACKCOURT VIOLATION DURING A FACE-OFF

Immediately after a face-off, the ball and/or the player with possession of the ball is allowed to move towards their defensive zone.

Once the player has established possession and their forward direction is toward their offensive zone, the player will have committed a back court violation should the loose ball and/or the player with possession of the ball come in contact with the line immediately behind them. Behind being the next line towards the player's defensive zone.

Rule 6.6 30-SECOND SHOT CLOCK

6.6.1 30-SECOND SHOT CLOCK RULE DEFINITION

The team in possession is required to take a shot on goal within 30 seconds of gaining possession. Failure to take a shot on goal will result in the 30-second shot clock timer sounding a horn and possession will be awarded to the non-offending team. The officials shall have the authority to reset the 30-second clock to cover any unusual situation not specifically covered under these rules.

6.6.2 LOCATION OF CLOCK

The 30-second clock shall be located outside the playing enclosure, behind the enclosure glass, behind each goal and in view of the players and referees on the playing surface.

6.6.3 SHOT CLOCK RESETS

The 30-second shot clock will reset to thirty seconds (30) when:

- The team in possession takes a shot on goal; or
- The ball is deflected off the goalkeeper whilst the goalkeeper is in the crease; or
- The ball deflects off a runner who is in the crease whilst the goalkeeper has been pulled and is on the bench for an extra attacker; or
- The ball hits the goal post.

The shot clock starts when there is a team in possession. A team is in possession when cradling, holding, passing or shooting the ball in play. Team possession ends when:

- There is a shot on the goal; or
- The opponent gains possession; or
- A goal is scored or the ball goes out of bounds.

SECTION SIX – PLAY OF THE GAME

6.6.3 SHOT CLOCK RESETS (CONT'D)

Anytime there is a floor violation or personal penalty, the 30-second shot clock is to be reset.

If a defensive player touches the ball and does not gain possession, the 30-second shot clock continues to run. If a defensive player causes the ball to go out of bounds the 30-second shot clock shall be reset.

6.6.4 OFFICIALS RESET SIGNAL

When it is necessary for the official to signal the reset of the 30-second clock, the official nearest the ball shall signal the 30-second clock operator to reset the clock. The signal shall be a whirling motion of the arm over the head.

6.6.5 SHOT CLOCK AND TIME-OUT CALLED

When a time-out is called, the time on the shot clock will remain, as it was when the whistle sounded to stop play. If time stops due to an injury, the clock remains, as it was when play stopped.

6.6.6 SHOT CLOCK MALFUNCTION

In the event one or both the two 30-second clocks ceases to operate (malfunction) during play, both clocks shall be turned off until the clock problem can be resolved. The 30-second clock operator shall keep track of time and sound the horn when and if violations occur. When 10 seconds remain on the 30-second clock, this will be announced to both benches.

Rule 6.7 OUT OF BOUNDS

6.7.1 BALL OUT OF BOUNDS

Play shall be suspended anytime the ball leaves the field of play. Possession is awarded to the team that did not touch the ball last, except for a shot on goal that deflects directly off the goalpost and goes out of bounds. In this case the offensive team will retain possession.

In all cases the ball is awarded at the position, as determined by the referee, where the ball left the playing surface. If awarded to the defensive team, the referee may award the ball to the goalkeeper in the crease area if closer.

Rule 6.8 BALL CAUGHT IN EQUIPMENT

SECTION SIX – PLAY OF THE GAME

6.8.3 BALL CAUGHT IN STICK DURING A FACE-OFF

If during a face-off the ball becomes lodged in a player's stick, the referee will stop play and award the ball to the non-offending team. This is considered a technical penalty for withholding the ball from play.

Rule 6.9 BALL OUT OF SIGHT

6.9.1 BALL OUT OF SIGHT

Should a scramble take place or a player accidentally fall on the ball, where the ball is then out of sight of the referee, the official shall immediately blow their whistle and stop the play. In the event that the goal is knocked over or excessively dislodged the referee will stop play immediately.

6.11.2 GOAL NET INADVERTENTLY MOVED

If the goal is inadvertently moved by contact from a defensive player or goalkeeper and the offensive team is in possession and in position for a shot on goal, the officials will not stop play provided the goal has not been excessively dislodged until either the defensive team gains possession or the scoring attempt has ended. The plane of the goal does not move. It is an automatic goal provided the ball crosses the plane of the goal.

6.11.3 GOAL NET INTENTIONALLY MOVED

If a goalkeeper or a defensive player intentionally moves the goal to thwart a scoring opportunity, play will be stopped immediately and a penalty shot will be awarded to the non-offending team. If an offensive player intentionally moves the goal off its moorings, a minor penalty shall be assessed for unsportsmanlike conduct.

SECTION SIX – PLAY OF THE GAME

6.11.4 SHOT ORIGIN

A goal shall be awarded if a goal is scored when the attacker's stick head is equal to or in front of the goal-line-extended when releasing the ball during the act of shooting, provided there is no crease violation or other violation prior to the ball entering the net. Also, a no goal shall be called if an offensive player directs a loose ball in the crease, and the ball makes contact with the goalkeeper or a defender prior to the ball going into the net.
- **INELIGIBLE PLAYER ON FLOOR** - If a goal is scored when an ineligible player is on the floor, the goal will be disallowed. The player may exit and enter at different doors or through the same door or over the boards.

The player exiting the floor has the right-of-way and substitution must be imminent. The player exiting the floor must leave the floor and enter the team bench area.

SECTION SIX – PLAY OF THE GAME

6.13.4 SUBSTITUTION OF GOALKEEPER

A goalkeeper may be changed for another player or goalkeeper at any time during a stoppage or during live play. If a substitution is made during live play it must comply with Rule 6.14.2. At no time is warm up allowed during a goalkeeper substitution. When a goalkeeper leaves their goal area and proceeds to their players' bench for the purpose of substituting another player, the referee shall be responsible to see that the substitution made is not illegal by reason of premature departure of the substitute from the bench (before the goalkeeper has entered the change area as per rule).

If the substitution is made prematurely, the official shall stop the play immediately by blowing their whistle unless the non-offending team has possession of the ball, in which event, the stoppage will be delayed until the ball changes hands. A goalkeeper who maintains stationary position in the change area shall be deemed as a player on the floor. SECTION SIX – PLAY OF THE GAME

Rule 6.15 INJURED PLAYERS

6.15.1 INJURED PLAYER DEFINITION

An injured player shall be defined as a player hurt, requiring the official to stop play. The injured player may not return to the floor until the next non-technical stoppage of play. Violation will result in a minor penalty to the offending player for delay of game. Should the offending team score a goal when the injured player is on the floor illegally it shall not count, provided the infraction was identified and corrected by the referee prior to the re-start of play.

6.15.2 INJURED GOALKEEPER

The trainer may come on to the floor to tend to the goalkeeper. If the injury is serious or 45 seconds expire commencing from the referee's acknowledgement of the injury, the goalkeeper must be replaced by a substitute without any undue delay and no warm-up shall be permitted for the substitute goalkeeper.

6.15.5 RETURN OF INJURED AND PENALIZED PLAYER

The injured penalized player who has been replaced in the penalty box shall not be eligible to play until their penalty has expired or until such time as they would normally be released from the penalty box after serving a coincidental penalty.

6.15.6 STOPPAGE OF PLAY DURING A PLAYER INJURY

When a player is injured and, in the opinion of an official the injury is serious; or there is bleeding or blood evidence; or there is risk of further injury to the player or other players, then play shall be suspended immediately. Otherwise the official shall delay the sounding of their whistle as follows"

PENALTY DEFINITIONS

**WORLD
LACROSSE**
TM

SECTION SEVEN – PENALTY DEFINITIONS

Rule 7.1 TECHNICAL PENALTIES/CHANGE OF POSSESSION

7.1.1 DEFINITION

Technical penalties are less serious in nature and include all violations of the rules of the game except those specifically listed as minor penalties, bench minor penalties, major penalties, misconduct penalties or match penalties.

Rule 7.2 MINOR PENALTIES

7.2.1 TIME SERVED

For a Minor Penalty, any player except the goalkeeper shall be ruled off the floor for two (2) minutes.

7.2.2 POSSESSION AFTER A MINOR PENALTY

Possession is awarded to the team fouled, unless the penalty occurs prior to the start of a quarter or overtime period or after the whistle has sounded denoting the scoring of a goal. In these cases, the play restarts with a center face-off. If the penalties are simultaneous, possession shall be awarded to the team with the lesser penalty time, or, if penalty times are equal, the ball shall remain with the team in possession at the time of the first infraction, however if ball was loose then a faceoff will restart play.

7.2.3 BENCH MINOR PENALTY

A Bench Minor penalty involves the removal from the floor of one player from the offending team for a period of two (2) minutes. The designated in-home player shall serve the penalty time. Should the in-home player already be serving a penalty, the coach shall designate another player (a runner only) to serve the bench minor.

7.2.4 PENALTY RELEASE AFTER GOAL SCORED

If the opposing team scores a goal while a team is short-handed by one or more minor or bench minor penalties, then the first of such penalties shall be automatically terminated.

Short-handed means that the team must be below the numerical strength of its opponents on the floor at the time the goal is scored. Thus, coincidental minor penalties to both teams do NOT cause either side to be short-handed.

7.2.5 MINOR PENALTY RELEASE CRITERIA

- Is the team scored against short-handed?
- Are they serving a minor penalty on the clock?

If the answer is yes to both, the minor penalty with the least amount of time remaining is released, except when coincidental penalties are being served.

When the minor penalties of two players on the same team terminate at the same time, the captain of that team shall designate to the official, which of such players will return to the floor first and the official will instruct the Penalty Timekeeper accordingly.

SECTION SEVEN – PENALTY DEFINITIONS

7.2.6 COINCIDENTAL MINOR PENALTIES

When coincidental minor penalties of equal duration are imposed against players of both teams, the penalized players shall all take their places in the penalty box and teams shall play 4 on 4. Such penalized players shall not leave the penalty box until the expiration of their respective penalties. If another minor penalty occurs during this situation, teams will play 4-on-3. For coincidental major penalties, play would remain at 5-on-5. Such penalized players should not leave the penalty box until the first non-technical stoppage of play following the expiry of their respective penalties.

7.2.7 ADMINISTRATION OF COINCIDENTAL PENALTIES

Coincidental penalties are administered by the following rules:

- All coincidental major penalties with matching minors are offsetting. Substitute off the bench to the floor for the coincidental penalized players. There is no time on the penalty clocks for the coincidental penalties.
- All coincidental major penalties with non-matching minors require substitution in the penalty box for the non-matching minor penalty.
- Match penalties – substitute must serve the penalty time. The substitute player is released upon expiry of the full penalty time, on the next non-technical stoppage of play; or if three goals are scored on the match penalty.

Rule 7.3 MAJOR PENALTIES

7.3.1 TIME SERVED

For a Major Penalty in any game the offender shall be ruled off the floor for five (5) minutes. If two (2) power play goals are scored on the penalized team, the penalized team may place a player on the floor to get back to even strength. But the offender shall serve the full five (5) minutes and will return to the floor on the next non-technical stoppage of play following the expiration of their penalty.

7.3.2 TWO MAJOR PENALTIES IN ONE GAME

For the second major penalty in the same game to the same player, the player shall be ruled off the floor for the balance of the game. The offending player must be replaced in the penalty box by the in-home immediately. When a player receives their second major penalty, the player shall be assessed the major penalty plus a game misconduct.

7.3.3 MAJOR AND MINOR PENALTY ASSESSED UNDER FIVE MINUTES IN REGULATION OR OVERTIME

During the last five (5) minutes of regulation time, or at any time in overtime, when a minor penalty and a major penalty are assessed to two opposing players on the same stoppage of play, the three-minute differential shall be served immediately as a major penalty. This is also applicable when coincidental penalties are negated, leaving the aforementioned example. In such instances, the team of the player receiving the major penalty must place the replacement player in the penalty box prior to expiration of the penalty. The differential will be recorded on the penalty clock as a three (3) minute penalty, and served in the same manner as a major penalty.

Rule 7.4 MISCONDUCT PENALTIES

7.4.1 MISCONDUCT AND MINOR PENALTY ASSESSED

When a player receives a minor penalty and a misconduct penalty at the same time, the penalized team shall immediately put the in-home player in the penalty box and they shall serve the minor penalty.

SECTION SEVEN – PENALTY DEFINITIONS

7.4.2 TIME SERVED

In the event of Misconduct penalties to players, the players shall be ruled off the floor for a period of ten (10) minutes each. A substitute player is permitted to immediately replace a player serving a misconduct penalty. A player whose misconduct penalty has expired shall remain in the penalty box until the next non-technical violation stoppage of play.

7.4.3 MISCONDUCT AND MAJOR PENALTY ASSESSED

When a player receives a major penalty and a misconduct penalty at the same time, the penalized team shall place the in-home player in the box immediately.

Rule 7.5 GAME MISCONDUCT PENALTIES

7.5.1 DEFINITION

When warranted, players can receive more than one game misconduct penalty in one game.

Rule 7.6 MATCH PENALTIES

7.6.1 TIME SERVED

A match penalty involves the suspension of the player for the balance of the game and the offending player shall be ordered to the dressing room immediately. The in-home player shall replace the penalized player in the penalty box for the full five (5) minutes of playing time regardless of the number of goals scored. The substitute player is released upon expiry of the full penalty time, on the next non-technical stoppage of play; or if three goals are scored on the match penalty.

For all match penalties, regardless of when imposed, or prescribed additional penalties, a total of ten (10) minutes shall be charged in the records against the offending player.

7.6.2 AUTOMATIC SUSPENSION

A player incurring a match penalty shall automatically receive a game suspension and shall be automatically referred to the World Lacrosse Event Disciplinary Panel for review and possible further disciplinary action.

Rule 7.7 GROSS MISCONDUCT PENALTIES

7.7.1 TIME SERVED

The referee may impose a “Gross Misconduct” penalty on any player, Coach, Trainer or Equipment Manager who is guilty of a gross misconduct of any kind. Any person incurring a “gross misconduct” penalty shall be assessed a game misconduct.

When a goalkeeper is assessed a ten (10) minute misconduct penalty, the goalkeeper must serve their own penalty.

When a goalkeeper is assessed a minor and a ten (10) minute misconduct penalty at the same time, the in-home player shall immediately enter the penalty bench to serve the minor penalty.

7.8.4 ADMINISTRATION OF GOALKEEPER PENALTIES DUE TO INJURY

If a goalkeeper is penalized for a major or a misconduct and the substitute goalkeeper is injured and can not continue, the in-home will serve the remaining penalty time and the penalized goalkeeper will be allowed to return. If in the discretion of the referee, a team intentionally uses this rule to gain an advantage an unsportsmanlike conduct penalty will be assessed.

When a goalkeeper has been injured, such that they are unable to continue to play, and their substitute is assessed a major or a misconduct, the penalized goalkeeper will remain in the game and a penalty shot will be awarded to the non-offending team and the in-home will serve the appropriate penalty time for the goalkeeper.

Rule 7.9 THE PENALTY SHOT

7.9.1 DEFINITION

A penalty shot is designed to restore a scoring opportunity which was lost as a result of a foul being committed by the offending team, based on the parameters as set out in these rules. Any dressed player on the offended team may take the penalty shot.

7.9.2 TWO PLAYER DOWN AND ADDITIONAL PENALTY TO THIRD PLAYER

If a team is already two (2) players down from full strength and is assessed an additional time penalty to a third player, the non-offending team shall be awarded a penalty shot. Regardless of the outcome of the penalty shot, the floor strength will remain as it was prior to the penalty shot. The team that received the third time penalty will begin play after the penalty shot, two players down from full strength

7.9.3 INSUFFICIENT PLAYING TIME WHEN ILLEGAL SUBSTITUTION PENALTY ASSESSED

If by reason of insufficient playing time remaining, or by reason of penalties already imposed, and a bench minor is imposed for illegal substitution (too many players), which cannot be served in its entirety within the legal playing time, or at any time in overtime, the non-offending team shall be awarded a penalty shot.
